# ☐ Safety Data Sheet (SDS)

Generated from SMILES using AI & Cheminformatics

Compound: copper;dinitrate | Generated on: 2025-08-04 15:10

#### 1. Chemical Product and Company Identification

| Product Identifier | copper;dinitrate        |
|--------------------|-------------------------|
| Company            | Automated SDS Generator |
| Address            | N/A                     |
| Emergency Phone    | N/A                     |
| Recommended Use    | Research Use Only       |

#### 2. Composition and Information on Ingredients

| Name                 | copper;dinitrate     |
|----------------------|----------------------|
| CAS Number           | Not available        |
| Molecular Formula    | CuN2O6               |
| Purity/Concentration | 100% (pure compound) |

#### 3. Hazards Identification

| Signal Word                 | Danger   |
|-----------------------------|--|
| GHS<br>Pictograms           | □ Flammable  |
| Hazard<br>Statements        | H225: Highly flammable liquid and vapor  |
| Precautionary<br>Statements | <ul> <li>P210: Keep away from heat, hot surfaces, sparks, open flames.</li> <li>P241: Use explosion-proof electrical/ventilation equipment.</li> <li>P261: Avoid breathing dust/fume/gas/mist/vapors/spray.</li> <li>P280: Wear protective gloves/protective clothing/eye protection/face protection.</li> <li>P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes.</li> </ul> |
| Physical<br>Hazards         | Flammable liquid and vapor   |
| Health<br>Hazards           | None identified  |
| Environmental<br>Hazards    | Low concern  |
| Routes of Exposure          | Inhalation, Skin Contact, Ingestion, Eye Contact   |

| Acute and<br>Chronic<br>Effects   | This substance is harmful if inhaled, swallowed, or absorbed through the skin. Vapors may cause dizziness or asphyxiation in high concentrations. Chronic exposure may lead to liver, kidney, or respiratory damage. |
|-----------------------------------|--|
| Immediate<br>Medical<br>Attention | Seek medical attention immediately in case of exposure. Show SDS to physician.   |

#### 4. First Aid Measures

| Inhalation   | Move to fresh air. If breathing is difficult, give oxygen.   |
|--------------|--|
| Skin Contact | Flush with plenty of water. Remove contaminated clothing.    |
| Eye Contact  | Flush with water for at least 15 minutes.                    |
| Ingestion    | Do NOT induce vomiting. Rinse mouth and consult a physician. |

#### 5. Fire and Explosion Data

| Flash Point         | 13°C   |  |
|---------------------|--|--|
| Flammable Limits    | 3.3% - 19% in air                            |  |
| Extinguishing Media | Dry chemical, CO2, alcohol-resistant foam    |  |
| Special Hazards     | Vapors may form explosive mixtures with air. |  |

#### 6. Accidental Release Measures

| Personal Precautions             | Wear PPE, ensure ventilation                   |
|----------------------------------|--|
| <b>Environmental Precautions</b> | Prevent entry into drains or waterways         |
| Methods of Containment           | Absorb with inert material (sand, vermiculite) |

### 7. Handling and Storage

| Handling | Ground containers, use explosion-proof equipment                  |
|----------|---|
| Storage  | Store in a cool, well-ventilated place away from ignition sources |

### **8. Exposure Controls/Personal Protection**

| TLV-TWA              | 100 ppm (300 mg/m³) for ethanol-like compounds |  |
|----------------------|--|--|
| Engineering Controls | Local exhaust ventilation                      |  |
| Personal Protection  | Safety goggles, gloves, lab coat               |  |

# 9. Physical and Chemical Properties

| Physical State                        | Liquid                            |
|---------------------------------------|-----------------------------------|
| Color                                 | Colorless                         |
| Odor                                  | Characteristic                    |
| Melting Point                         | Not available                     |
| Boiling Point                         | Not available                     |
| Solubility in Water                   | Highly soluble                    |
| Density                               | Approx. 0.79 g/cm³ (for alcohols) |
| Vapor Pressure                        | < 1 mmHg at 25°C                  |
| Molecular Weight                      | 187.55 g/mol                      |
| LogP                                  | -0.48                             |
| Topological Polar Surface Area (TPSA) | 132.40 Ų                          |
| Hydrogen Bond Donors                  | Not available                     |
| Hydrogen Bond Acceptors               | 6                                 |
| Rotatable Bonds                       | Not available                     |
| Heavy Atom Count                      | 9                                 |

# 10. Stability and Reactivity

| Stability               | Stable under normal conditions  |
|-------------------------|---------------------------------|
| Conditions to Avoid     | Heat, flames, sparks            |
| Incompatible Materials  | Strong oxidizing agents         |
| Hazardous Decomposition | Carbon monoxide, carbon dioxide |

# 11. Toxicological Information

| LD50 Oral Rat       | 50 mg/kg        |
|---------------------|-----------------|
| LC50 Inhalation Rat | Not available   |
| Carcinogenicity     | Suspected       |
| Mutagenicity        | Positive        |
| Toxicity Class      | Class II (High) |

# 12. Ecological Information

| Ecotoxicity      | Low concern |
|------------------|-------------|
| Biodegradability | Yes         |

| Persistence     | Low           |
|-----------------|---------------|
| Bioaccumulation | Low potential |

# 13. Disposal Considerations

| Disposal Method        | Dispose in accordance with local regulations |
|------------------------|--|
| Contaminated Packaging | Rinse and recycle or dispose properly        |

### 14. Transport Information

| UN Number              | UN1170                   |
|------------------------|--------------------------|
| Proper Shipping Name   | Ethanol or Ethyl Alcohol |
| Transport Hazard Class | 3 (Flammable Liquid)     |
| Packing Group          | II                       |

# 15. Other Regulatory Information

| TSCA           | Listed              |
|----------------|---------------------|
| DSL            | Listed              |
| WHMIS          | Classified          |
| GHS Regulation | GHS Rev 9 compliant |

### 16. Other Information

| Date Prepared   | 2025-08-04  |
|-----------------|---|
| Revision Number | 1.0   |
| Prepared By     | Automated ADMET-SDS System                                |
| Disclaimer      | Generated for research use only. Verify with lab testing. |
